Germantown Forward 2030 Vision Statement

Germantown is a vibrant, modern community, the community of choice, offering outstanding quality of life for all generations. The government is fiscally sound and provides top-quality public safety and services responsive to community requirements. Engaged residents honor the past, treasure the present and responsibly shape Germantown's Future.

Neighbor of the Year

The Neighbor award will be given to honor a person who routinely goes the extra mile to help others, often quietly working in the background without any expectation of recognition and who through tireless dedication makes a difference and enriched the lives of neighbors. He/she is an inspiration and an example of compassion, encouragement, understanding and strength. The nominee does not have to be an officer of the neighborhood association, on the board of directors or a committee member.
